**DETAILED ACTION**

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

**ART REJECTION:**

***Claim Rejections - 35 USC § 102***

2. Claims 1 and 3-7 are rejected under 35 U.S.C. 102(b) as being anticipated by Reeley.

-- Claims 1 and 3-7 are met by Reeley for the reasons of record as discussed in the previous office action, as well as:

1) the second trigger that transmits a signal containing location information is met by the control unit transmitting location information to the central monitoring facility(see: column 9, lines 20-38).

***Claim Rejections - 35 USC § 103***

3. Claim 2 is rejected under 35 U.S.C. 103(a) as being unpatentable over Reeley for the reasons of record as discussed in the previous office action.

**REMARKS:**

***Response to Arguments***

4. Applicant's arguments filed 1/4/2006 have been fully considered but they are not persuasive.

With regards to the applicant's assertion that the prior art to Reeley does not disclose a second trigger that transmits a signal containing location information, that limitation has been addressed in the art rejection above, since Reeley clearly teaches

Art Unit: 2632

transmission of location information to the central monitoring facility. In view of this, applicant's argument is not deemed persuasive.

Furthermore, with regards to the rejection of claim 2, since the applicant has not traversed the examiner's assertion of official notice, the examiner's well known statement with regards to the connector attachment for a key will be taken to be admitted prior art by the applicant.

### ***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
